2. I talked to [ ] OSO, about the inquiry from General McClure's office on a roster of officers assigned to OSS [ ] said he had been instructed not to release [ ] at this time, but had finally located a roster for 1944. I said I felt the recruitment people had an interest in such a roster and the effect of its release outside and would call [ ]

3. Mr. MacLeod of Justice said our next move in connection with Riverside Stadium was to file a declaration of taking and it was up to GSA to determine the amount we deposited with the Declaration. He suggested getting in touch with Mr. Moody of GSA. I so informed [ ]

4. Mr. Peel agreed that space should be available for the increase of the General Counsel's office on the third floor, South Building, either in the room now occupied by the Credit Union or the one next to it.
